Fly-in to Brize Norton

Did you watch the recent documentary "Inside Brize Norton"

Ever wondered who is on the other end of the radio when you call up for a zone transfer or basic service? **Why not join the fly-in to Brize then?**

A great one for the log book! a large active military airbase.

The team at Brize will welcome you, and show you round the tower and explain how it all works: - the airspace/LARS/Zone and crossing class D airspace.

Listen to the controllers and watch them at work, **the team there will also lay on (subject to availability) a look around some static aircraft and a visit to an aircraft simulator.**

Why not ask your instructor to take you as an exercise? It's only 20 minutes away and will be a great addition to your training hours.

Briefing and Departure EGBW 10:00am arrive Brize 10:30

Depart Brize around 15:30 latest.

The event is limited to a total of 14 so it is on a first come basis.
