Take Flight is once again hosting our annual Open Day on 15th June to coincide with the fast taxi runs of Vulcan XM655, so why don't you come along and enjoy the entertainment, good food and experience first hand the spectacle of the Vulcan charging up the runway.

We have live music from local band "*Completely Covered*" plus solo support from "Ollie" the lead of the house band "*The High Flying Aces*".

We have a pig roast, as well as half price 30min trial flights at £69 and discounted aerobatic experiences at £99.

It would be great to see you and please bring your friends.

The pig roast which includes free drinks is £5 per head otherwise entry is free.

Live music and food from midday with the airfield attractions open from 10am - 4pm.
